CEO, National League for Nursing*

Over the past decade, there has been significant changes in nursing practice and healthcare delivery. Changes ranging from the traditional classroom setting to on-line education, bedside nursing to community health nursing, and leadership roles that have taken nurses from the bedside to the boardroom.

Beverly Malone, PhD, RN, FAAN, Chief Executive Officer, National League for Nursing will join us and share how changes have impacted the nursing profession and how we can continue this culture shift in nursing.
