

Best Practice in APN Education for Domestic Violence Screening

Expectations and Opportunity for Change

Beth Knox DNP APN AOCN

October 13, 2016

Time: 1:15 -2:15 PM

Outline

- Current practice of APN screening for intimate partner violence (IPV) in New Jersey.
- Evidence-based screening practice guidelines for IPV.
- Validated screening tools for use in screening for IPV.
- Safety plans for use in clinical practice.
- New Jersey state and national resources for IPV.
- Opportunities for further development of skills and confidence in screening and management of IPV.
