

New Jersey State Nurses Association (NJSNA)'s mission is to promote the profession of nursing, advance the practice of nursing and advocate for nurses. NJSNA achieves its mission through the following activities of its members:

Education-Institute for Nursing* (IFN), the foundation of NJSNA, offers continuing education (CE) programs both live and web based.

Policy Development-Together with a renowned lobbying group our members work with the Governor's office and NJ Legislators on legislation that directly and indirectly impact nursing practice.

Leadership-Our members offer mentoring relationships to nurses who want to become leaders in nursing/health care within and outside of the association.

Professional Representation-Our members attend various professional functions included but not limited to other health care association programs, political programs and business programs.

Workplace Advocacy-Our members' network with other nursing associations to advocate healthy workplace environments.

*The Institute for Nursing is the public 501 [c] 3 not for profit foundation of the New Jersey State Nurses Association

Belonging is important!

Belonging to *your* professional state nursing association gives you:

- additional power when the association speaks in front of legislative and regulatory bodies
- the opportunity to be the voice in the decisions that impact the profession of nursing and the scope of practice
- career opportunities through the Career Center
- networking opportunities for mentoring and collaboration in a supportive atmosphere
- scholarship opportunities
- membership access to the American Nurses Association (ANA)
- the opportunity to direct health care policy in New Jersey

**Now is the best time to join to advance
your career, *your* profession and *your* patient care.**

Benefits of Membership also include discounts designed with you in mind: Career resources, events, insurance programs, legal services, professional tools, eNews, and more!
